**ADMINISTRATIVE LAW JUDGE'S RULING
REGARDING COMMENTS ON EXHIBIT 407**

On May 3, 2004, Southern California Edison Company (SCE) moved for permission to file comments on Late-Filed Exhibit 407 (electronic workpapers supporting the results of operations calculations associated with the Alternate Decision of Commissioner Kennedy). SCE concurrently served its proposed comments.

This proposed procedure would essentially mirror the procedure previously established for comments on Late-Filed Exhibits 405 and 406. This matter is now scheduled for consideration by the Commission at its regularly scheduled meeting of May 27, 2004, and time is limited. Accordingly, I will grant SCE's motion pursuant to Rule 45 (h) of the Rules of Practice and Procedure.

IT IS RULED that Southern California Edison Company's motion is granted, and its proposed comments on Exhibit 407 are accepted for filing. Comments on Exhibit 407 may be filed by other parties and are due on or before May 13, 2004. Replies may be filed and are due May 18, 2004.

Dated May 7, 2004, at San Francisco, California.
